

## Dear Parents,

We are pleased that you are considering a Montessori education for your child at Montessori Community School. In addition to the admissions information for the 2010-2011 academic year provided in this packet, we encourage you to learn more about our Montessori programs by scheduling a visit to our school. School tours, which include a classroom visit, are conducted from October through April, and are generally held on Wednesday mornings at 8:45 a.m. (adults only, please). To schedule a date for your visit, please contact our office at (808) 522-0244.

Our goal is to assist children in developing the skills, knowledge, and attitudes to become productive members of their community and respectful of themselves, others, and the environment. To achieve this, we create a special learning environment, employ certified Montessori teachers, and work collaboratively with parents.

The three-year developmental cycle found at each age level is crucial to a child's success, and therefore our priority is to enroll children whose families understand and are committed to our programs and philosophy, and who are selecting Montessori Community School as a long-term school placement for their child.

Enclosed in this admission packet you will find:

- \* the 2010-2011 application form;
- \* an outline of the admissions procedures and policies;
- \* the 2010-2011 tuition rates;
- \* a brochure describing our school's programs and philosophy;
- \* a brochure published by the American Montessori Society offering an overview of the Montessori philosophy; and
- \* a suggested reading list.

## General Admission Policies

Our priority is to enroll students who will benefit from a Montessori education.

Application to a program does not guarantee acceptance. Once the application and the required application fee are received and the appropriate admission procedures have been completed, parents will be notified in a timely manner as to whether or not their child has been accepted.

There is no application deadline, but applications should be submitted by February 15, 2010 to allow

sufficient time to complete the application process before the initial acceptance notifications begin on March 15, 2010.

Age is only one factor for admission to each program level. Developmental readiness is also considered, and all applicants are considered in terms of space availability and classroom dynamics.

Admissions decisions are determined by the Admissions Committee, composed of faculty and administration members. If your child is receiving special services, it is expected that you share this information with us to help in assuring that our program will be the appropriate environment for your child.

Preference is given to qualified applicants who are children of faculty or staff, or siblings of enrolled students. Admission deadlines, however, must be met, and admission is not automatic for applicants in these categories.

## Program Requirements

**Two-Year-Old applicants** must be at least 24 months of age at the time they begin school. Children in diapers are eligible to enroll in the Two-Year-Old program.

**Preschool applicants** must be able to use the bathroom with complete independence (diapers, training pants, or Pull-ups are not allowed at any time in the preschool program). Children enrolling for the start of the school year must be three years of age by December 31 to be considered for the preschool 3-6 year-old program. For enrollment at any other time, the child must be fully three years of age to qualify for entrance to the preschool 3-6 program.

**Kindergarten applicants** must be five years of age by December 31 to be considered for the kindergarten program and must complete the following requirements, as applicable, before an admission decision can be made:

1. Submit the previous year's and most recent report card or progress report, if applicable;
2. Have your child's current teacher complete and submit the Teacher Reference Report
3. Have your child attend our **Morning Activity Session on Saturday, February 20, 2010, 9:00-10:30 a.m.**

*(Continued on reverse side)*

## MCS Applicant Checklist

**Elementary applicants** are considered in terms of school reports and parent interview. An interview with the student may also be requested.

Additionally, **elementary 6-9 year-old** applicants must be six years of age by December 31 and **elementary 9-12 year-old** applicants must be nine years of age by December 31 to be considered for their respective elementary programs. The following documents must be submitted before an admission decision can be made:

1. Current and previous two years' report cards or progress reports, and any available standardized test results;
2. Teacher Reference Report, completed by current teacher (form enclosed).

### Additional kindergarten & elementary admission procedures.

In addition to the procedures listed above, any or all of the following options may be required as part of the admission process. Our objective in doing so is to gain sufficient information about the applicant to be able to make an admission decision.

1. Observation of the applicant at their current school;
2. Observation of the applicant at MCS;
3. Enrollment in the MCS summer program.

### Financial Assistance

Montessori Community School offers financial assistance to families of applicants based upon demonstrated financial need. Applying for financial assistance is independent of the admissions process, and a family's financial status is not part of the admission criteria.

The School and Student Service for Financial Aid (SSS) Parent Financial Statement application form may be requested from our office or obtained online at <https://sss.ets.org/> after a completed MCS application and application fee are received by our school. The completed financial aid form and required fee should be sent directly to SSS by March 1, 2010. SSS will forward the need analysis to Montessori Community School.

MCS is only able to offer limited financial assistance and uses the information from the SSS Parent Financial Statement form to prioritize the amount given in grants. MCS also cooperates with other community programs which also offer limited financial assistance, such as Open Doors—Child Care Connection, Kamehameha's Pauahi Keiki Scholars, OHA's Kāko'o Ho'ona'auao program, and Alu Like.

### For All Applicants:

- \_\_\_\_\_ Submit the completed, signed application form, along with the non-refundable, non-transferable **\$50.00 application fee** (payable to: *Montessori Community School*).
- \_\_\_\_\_ Submit the financial assistance application (if applicable) to SSS before March 1, 2010.
- \_\_\_\_\_ Contact the school office to arrange a campus visit (highly recommended).
