

ADMISSIONS TO MONTESSORI COMMUNITY SCHOOL 2022-2023

Two-Year-Olds | Preschool & Kindergarten | Elementary Grades 1-6

Dear Parents,

The three-year developmental cycle found at each age level, with the exception of the Two-Year-Old Program, is crucial to a child's success. Therefore, our priority is to enroll children whose families understand and are committed to our programs and philosophy, and who are selecting MCS as a long-term school placement for their child.

We encourage all interested parents to schedule a virtual visit to our school. In-person tours are suspended until further notice. To schedule a date for your visit, please sign up on our website.

General Admissions Policies

Our priority is to enroll students who will benefit from a Montessori education. Please note that application to a program does not guarantee acceptance and all appropriate admissions procedures must be completed for a child to be considered. Applications for the 2022-2023 school year will be accepted beginning on September 1, 2021. Parents are encouraged to submit their applications as soon as possible. Applications submitted by January 15, 2022 will be considered in the first round of admissions decisions, which will be determined and announced beginning mid-March 2022. Subsequent applications will be considered as space is available.

The 2022-2023 tuition rates will be available on our website beginning in February 2022.

Age is only one factor for admission to each program level. Developmental readiness is also considered, and all applicants are considered in terms of space availability and classroom dynamics. Admissions decisions are determined by the Admissions Committee, composed of faculty and administration members. If your child is receiving special services, it is expected that you share this information with us to help in assuring that our program will be the appropriate environment for your child.

Preference is given to qualified applicants who are children of faculty or staff, or siblings of enrolled students. Admissions deadlines, however, must be met, and admission is not automatic for applicants in these categories.

1. Observation of the applicant at their current school;
2. Observation of the applicant at MCS;
3. Enrollment in the MCS summer program.

Financial Assistance

Montessori Community School offers financial assistance to families of applicants based upon demonstrated financial need. Applying for financial assistance is independent of the admissions process, and a family's financial status is not part of the admissions criteria.

The School and Student Service for Financial Aid (SSS) Parent Financial Statement application form may be obtained online at <http://www.solutionsbysss.com/parents> after an MCS application and application fee are received by our school. The completed financial aid form and required fee should be sent directly to SSS by March 1, 2022. SSS will forward the need analysis to MCS.

MCS is only able to offer limited financial assistance and uses the information from the SSS Parent Financial Statement form to prioritize the amount given in grants. MCS also cooperates with other community programs which also offer limited financial assistance, such as Preschool Open Doors, Kamehameha's Pauahi Keiki Scholars and Kipona Scholarship programs, Child Care Aware of America and Keiki O Ka Aina's HELP program.
